

The background features abstract line art. At the top left, a hand is shown with fingers spread, holding a horizontal line that extends across the top. This line then turns downwards and forms a winding path that leads to a second hand at the bottom right, also with fingers spread. The path is drawn with red and blue lines. The title 'Deck Of Life' is positioned on the left side of the image.

Deck Of Life

Discover the world, one card at a time

A web browser game to:

- Collect cards to build your deck
- Discover new locations with friends
- Share your interests and favourite places
